"Impeach Congress" via Term-Limits
PETITION PREPARED FOR:

Kindly respond within three business days.

YES! I agree David. Congress has become a cesspool of career politicians who put their own power, perks and privileges ahead of public service – and they're near impossible to unseat. President Trump's proposal to enact term limits is the common sense solution to "draining the swamp" and get government moving again.

I've signed my "**IMPEACH CONGRESS – ENACT TERM LIMITS**" Petition and to help you print and send even more petitions and continue your work of pushing back against the liberal elites in Washington so President Trump can fulfill his agenda – I'm joining as a member by sending my one-time membership contribution made out to Citizens United in the amount of:

\$25 \$50 \$100 \$1,000 \$ Other

Please make check payable to Citizens United or complete the credit card form on the back.

IMPEACH CONGRESS – ENACT TERM LIMITS

Petition to President Donald Trump and Senator Mitch McConnell

Dear Mr. President and Senator Mitch McConnell,

I support the proposal to enact term limits on Congress. Our representatives were supposed to go to Washington, serve for a short time, then return to live under the laws they made.

But Congress is now a cesspool of career politicians who put their own power, perks and privileges ahead of public service making it impossible to get anything done in Congress. Even worse, they are impossible to unseat thanks to cushy connections with lobbyists and special interests.

Thank you for daring to take on career politicians who have orchestrated and overseen the collapse of our country. Whatever you have to do to **ENACT TERM LIMITS** and get our government working for the people again, I SUPPORT YOU!

IMPEACH CONGRESS – ENACT TERM LIMITS

Louisiana, House District 86 Senate District 6

Congress was meant to be a citizen legislature. Our representatives were supposed to go to Washington, serve for a short time, then return to live under the laws they made.

But this vision from our Founding Fathers has been lost. Congress is now a cesspool of career politicians who put their own power, perks and privileges ahead of public service. Even worse, they are impossible to unseat thanks to cushy connections with lobbyists and special interests.

Therefore as an American citizen I hereby do support the Term Limits Convention proposed by President Trump, to enact a constitutional amendment for term limits on members of the U.S. Senate and U.S. House of Representatives.

“First, propose a Constitutional Amendment to impose term limits on all members of Congress.”

– President Donald Trump

Dear Fellow American,

If you agree with Donald Trump that it’s time to “drain the swamp” then please take just two minutes to sign your “**IMPEACH CONGRESS – ENACT TERM LIMITS**” Petition.

My friend, Donald Trump has been in Washington for less than one term and the left has been scheming to impeach him from the moment he set foot in the Oval Office.

But President Trump is not the problem – the real problem is the “impeachers”... the Liberal career politicians who are destroying our country and who are furious because someone finally dared to stand up and challenge the broken status quo in Washington. The real problem is “swamp creatures” like:

- **Nancy Pelosi (D-CA) – 32 years**
- **Maxine Waters (D-CA) – 28 years**
- **Jerry Nadler (D-NY) – 26 years**
- **Adam Schiff (D-CA) – 18 years**

It’s no wonder these Liberal career politicians are the ones beating the drum when it comes to impeachment... because they stand the most to lose.

You and I both know they would never vote to “drain the swamp” because their friends, cronies, former colleagues, and former staffers are prioritizing and advancing their careers. These career politicians have created the swamp... and they are the ones who deserve to be impeached and there is only one way to do it to save our country...

By enacting “term limits” NOW!

So please sign your “**IMPEACH CONGRESS – ENACT TERM LIMITS**” Petition now to pass a Constitutional Amendment to limit the number of terms for members of the House and Senate.

I’ll explain how this two-part petition works in a minute. But first, let me tell you why this is so important.

In 2016, then-candidate Donald Trump delivered a policy speech at the Gettysburg

Battlefield in which he laid out his plans for “draining the DC swamp.” Of the 28 proposals, the very first one was this:

“FIRST, propose a Constitutional Amendment to impose term limits on all members of Congress.”

Donald Trump gets it...

If you want to drain the DC swamp, first you need to pull the “drain plug” by enacting term limits -- because nothing is going to change in Washington when you’ve got self-interested, career politicians running the show.

So will you sign your **“IMPEACH CONGRESS – ENACT TERM LIMITS”** Petition to help me pull the drain plug on the DC swamp?

My name is David Bossie and I’m the President of Citizens United for the Trump Agenda.

We’re at the front lines pushing back at the media elites, liberals and members of the Washington establishment who are foaming at the mouth to impeach President Trump in order to stop him and his agenda to restore America’s greatness.

You see, Washington needed fresh blood -- someone not beholden to the DC special interests -- someone who wasn’t afraid to take on the corrupt liberal establishment.

That someone was Donald Trump.

I saw this up close and personal during my time as his 2016 Deputy Campaign Manager -- and that’s why we’re rallying around President Donald Trump and the cause of term limits.

In the short amount of time he’s been in office -- he’s displayed the wisdom, courage and tenacity necessary to guide our nation back to greatness -- and has achieved more during his first two years than most Presidents do in two terms.

But with career politicians slow walking, obstructing, and bogging down his Presidency with their phony impeachment charges and never ending investigations (which haven’t produced a shred of evidence that President Trump did anything wrong) -- he will never be able to dismantle the biggest government disasters of the Obama years and truly make America great again. Disasters like...

ObamaCare... Illegal Immigration... Taxes... Regulations...

That’s why your signature on your **“IMPEACH CONGRESS – ENACT TERM LIMITS”** Petition is so important.

Let me explain...

As soon as you finish reading my letter, take a look and you'll notice that there are two parts to this petition:

1. *A petition in support of Term Limits to President Donald Trump and Senator Mitch McConnell and;*
2. *A petition to your State Legislator.*

You see, there are several ways to amend the Constitution to enact term limits, and we're taking no option off the table.

Congress can pass a Term Limits Amendment and send it to the states for ratification. But as you might guess -- many current members of Congress are loath to vote themselves out of a job... especially the ones who've been there the longest and are the very ones who've done the most to grow the size and scope of government (like Pelosi, Waters, Nadler and Schiff).

It's a never-ending cycle of greed and corruption.

And that's where the second part of your **"IMPEACH CONGRESS – ENACT TERM LIMITS"** Petition comes in.

You see -- I need your help to call an Article V "Term Limits" Convention of States for the sole purpose of enacting term limits.

It takes just 34 state legislatures to call a convention.

Then Congress has no choice but to set the date and time -- and then their job is done and their say is over!

That's right...

Delegates to the Article V "Term Limits" Convention will get to work enacting what is one of the most popular and most needed reforms of our federal government -- term limits.

With Donald Trump putting term limits at the top of his list of priorities for "draining the DC swamp" --- NOW IS THE TIME TO GET THE JOB DONE.

So please sign your **"IMPEACH CONGRESS – ENACT TERM LIMITS"** Petition and rush it back to me within three days. And when you do, will you join Citizens United for the Trump Agenda as a member by enclosing a one-time, membership contribution of \$25?

It'll help us print, send and collate even more **"IMPEACH CONGRESS – ENACT TERM LIMITS"** Petitions for maximum impact -- and continue growing our grassroots army to

push back against liberal obstruction so President Trump can fulfill his agenda.

So if you can give even more today -- say \$50, \$75, \$100, \$250 or even \$1,000 or more today -- it would be greatly appreciated.

My friend without term limits -- you and I will be relying on politicians who've been in DC for 10... 20... 30... or 40+ years to fix things...

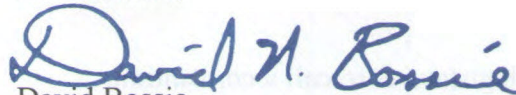

But they are the cause of the problem NOT the solution. And when we pull the "drain plug" they will be the first to go.

Of course it won't be easy -- these career politicians WILL put up a fight... and they'll do anything they can to impeach President Trump so they can maintain their claw-like grip on power.

But that's why we need to let President Trump and Senator McConnell know that we are standing firmly behind them in the charge to enact term limits. This isn't just the best way to fight back... *it's the only way.*

So please sign your "**IMPEACH CONGRESS – ENACT TERM LIMITS**" Petition and rush it back to me along with your one-time, membership gift of \$25, \$50, \$100 or more today.

For America,

David Bossie

President, Citizens United for the Trump Agenda

P. S. These radical "career politicians" who've been in office 10, 20, 30 and even 40+ years -- are demanding that President Trump be the one who is impeached? No way. They've been destroying our country for decades (and enriching themselves and their allies along the way). We must demand Congress enact term limits now!

So please sign your "**IMPEACH CONGRESS – ENACT TERM LIMITS**" Petition and rush it back to me in 72 hours. It's a two-part petition that'll be sent to both Congress and your State Legislator to show your support for President Trump and Mitch McConnell's Term Limits Proposal.

Without term limits -- you and I will be relying on politicians who've been in DC for 10... 20... 30... or 40+ years to fix things... But they are the cause of the problem NOT the solution. And they've shown themselves unwilling to lift a finger to do anything unless it has to do with impeaching President Trump. Enough!

So please rush me your petition along with your one-time, membership gift of \$25, \$50, \$100 or more today to Citizens United for the Trump Agenda. Thank you.

The first \$15 of your annual support will be applied to Citizens United membership dues.
