

Dear Friend of Frontiers of Freedom,

I am making an urgent appeal to you and every other conservative in the country to sign the enclosed **Message of Support Card** to President Trump at this critical hour.

Donald Trump has been under assault like NO OTHER PRESIDENT in American history.

The radical left media ALREADY came out with their verdict on Donald Trump's presidency:

- Donald Trump likely to resign ... says senior Democrat.
- Will Trump resign? Oddsmakers now think it's a 50/50 bet.
- Donald Trump told to resign by Democrat.
- CNN exclusive: Sen. Kirsten Gillibrand calls on Trump to resign.
- Will Trump resign? Many other presidents have thought about it.
- How does this end? Four alternatives for the scandal-plagued presidency of Donald Trump.

Before Donald Trump even took the oath of office, the radical media elites were encouraging the rabid leftist protesters in the streets to **tear up** the country in order to **tear down** Donald Trump.

Since President Trump has taken office, virtually every single news article from the leftists at the New York Times, the Washington Post, The Hill and NBC has been dedicated to destroying Donald Trump.

The leftist media has blamed him for everything under the sun. And these attacks have taken their toll on Donald Trump and his presidency.

Do you believe the liberal news media headlines that Donald Trump has been a total failure and should resign?

If so, I won't expect to hear back from you.

**BUT ... if you are still behind Donald Trump, I hope you will take a**

**moment right now to let him know that you still support him, by signing the enclosed Message of Support Card to President Trump.**

I cannot stress enough: THIS IS THE MOST CRITICAL TIME IN THE TRUMP PRESIDENCY.

President Trump has been the target of an unprecedented barrage of negative articles attacking his policies ... and him personally.

Now the leftist media and their puppets in Congress -- led by Kirsten Gillibrand and Charles Schumer and Nancy Pelosi -- are looking to deliver the knock out blow to the Trump Presidency.

The left sees a golden opportunity to BURY ALL OF DONALD TRUMP'S CONSERVATIVE POLICIES RIGHT HERE AND NOW.

If we want President Trump's conservative policies to have ANY CHANCE of surviving, we must step up NOW and give our full-throated support to President Trump!

That's why I so urgently need your signed **Message of Support** Card to President Trump today!!!

Your **Message of Support** Card will let President Trump know that he still has the strong support of dedicated conservatives like you and me -- DESPITE WHAT THE LEFTIST IN THE MEDIA CLAIM.

I think there is a lot for conservatives to be PROUD of during the first term of Donald Trump's presidency:

- Donald Trump has won a huge victory over the leftists and put a solid conservative on the U.S. Supreme Court. His SECOND Supreme Court nominee was just as good!
- Donald Trump's tough stand on illegal immigration has already resulted in a 50% reduction in illegal border crossings.
- Donald Trump put America on the path to energy independence by scrapping Obama's wacky environmental regulations.
- Donald Trump has unleashed America's economic potential, and the stock market is going up and jobs are staying home in America.

That's why Frontiers of Freedom and I are doing everything in our power to support President Trump's conservative agenda.

Are you with me?

I hope so!

Because the success or failure of Donald Trump's conservative agenda may depend on what you do with your **Message of Support** Card.

Please rush your signed **Message of Support** Card to President Trump back to me at Frontiers of Freedom.

My name is George Landrith, and I am the President of Frontiers of Freedom. Founded by conservative Senator Malcolm Wallop, Frontiers of Freedom works to promote individual freedom, peace through strength, limited government, free enterprise, and traditional American values as found in the Constitution and the Declaration of Independence.

That's pretty much everything President Trump supports ... and the leftist media hates!

That's why the leftist media launched this vicious hit campaign against President Trump.

And that's why Frontiers of Freedom has launched this vital **Message of Support** campaign for President Trump!

I believe that if we can rally enough Americans to counter the leftist media assaults on President Trump, he will NOT buckle to the pressure and continue to fight for his conservative agenda.

But if we do nothing, and Donald Trump begins to waver under these blistering attacks, his entire presidency could be ruined.

So please don't sit on the sidelines!

Please rush your signed **Message of Support** Card back to me at Frontiers of Freedom today.

And I would also ask you to please back up your signed **Message of Support** Card for President Trump with a donation of \$25, \$50, \$100, \$250, \$500 or even \$1000 or more.

Our goal is to collect one million signed **Message of Support** Cards to President Trump at the White House, to counter the leftist media smear campaign against him.

Based on our past successful grassroots projects, my staff estimates that the cost of this **Message of Support** Card campaign will be more than \$430,000!

That's a LOT of money.

But we can do it with your help.

And we **MUST** do it to save President Trump's conservative agenda from this brutal leftist media smear campaign!

If each of you who gets your **Message of Support** Card signs it and rushes it back to me with a donation of just \$25 to Frontiers of Freedom ...

... we could afford to pay the entire \$430,000 bill for our goal of one million **Message of Support** Cards for President Trump delivered to the White House!

And together you and I and Frontiers of Freedom could help stop the despicable leftist media from destroying the conservative agenda of a President who is finally standing up for the American people!

So please, my friend, do not delay even for a moment.

Please rush me your signed **Message of Support** Card today, along with your most generous donation of \$25, \$50, \$100, \$250, \$500 or even \$1000 or more to Frontiers of Freedom today.

Thank you and God bless you.

Sincerely,

A handwritten signature in black ink that reads "George Landrith". The signature is written in a cursive style with a large, stylized initial "G".

George Landrith, President  
Frontiers of Freedom

P.S. Rush Limbaugh said on his radio show that: "Donald Trump has no one except the people that voted for him. Trump has no one in Washington. The entire Washington establishment is opposed to him. The media is trying to undermine him." Rush is right! President Trump has only you to support him. Please don't abandon him now, at his time of need. Please rush your signed **Message of Support** Card and your urgently needed donation back to me today.

*Message  
Of Support*

*To President Donald J. Trump*

Dear President Trump,

You have been under assault by the radical leftist media more than any U.S. President in American history. The leftist media has even called for your impeachment for trying to enact a conservative agenda to save America.

President Trump, I know these vicious smears by the leftist media and their allies in Congress must be taking their toll on you.

But I want you to know that I fully support you as you enact a conservative agenda to restart our economy, protect Americans from illegal aliens and terrorists, restore the rule of law and renew America's military strength. I am with you, and I don't want you to give up, no matter what the leftist media says about you.

Thank you and God bless you!
