ELISE STEFANIK
21ST DISTRICT - NY

Dear Fellow Patriot,

No one has seen anything like this before.

After I stood up against Adam Schiff in one of his fraudulent committee hearings on impeachment, exposing his hypocrisy and calling out his shameful attempts to silence me and other Republicans from speaking in defense of President Trump . . .

. . . I rocketed to the top of the Democrat Party's target list for the 2020 elections.

➔ **In the weekend right after that impeachment hearing, my Democrat challenger raked in more than \$1 million!**

That's incredible . . . a million dollars in *three days!* It's like every Trump-hating Democrat in America was watching the impeachment hearings, and as soon as I spoke out against Adam Schiff's "Kangaroo Court," they all went online and made donations to my liberal challenger.

And that's not the worst of it! You see, the same left-wing money machine aiming to take me down is also filling the coffers of Democrat challengers in other Districts all over the country.

Every single Republican in Congress who dared speak up against the Pelosi/Schiff/Nadler "Show Trial" is watching millions of dollars pour into their Districts in support of their socialist opponents.

Unless patriotic conservatives like you respond, House Republicans will get overwhelmed by attack ads next fall, and Nancy Pelosi will strengthen her grip on power.

That would be a disaster for the president, for our values, and for our country, which is why I am asking you to support this urgent **Matching Gift Challenge** that was just launched by the National Republican Congressional Committee (NRCC).

**** A group of especially generous Republicans were so furious about the Democrats' lie-filled impeachment crusade against President Trump that they are offering to MATCH every single donation of \$45 or more to the NRCC between now and Election Day.****

That's what the enclosed symbolic \$45 check represents – it's your opportunity to **DOUBLE** your impact in the fight to defeat socialist Democrats in House races nationwide. Please, today:

- >> RUSH your Matching Gift Reply back along with your \$45 gift to the NRCC. Every dollar will be matched, resulting in a \$90 impact to help Republicans in key House races.
- >> **This is an *exclusive* Matching Gift offer, so if you can afford to send more than \$45 (as a show of support for our 45th president against the reckless socialist partisans hell-bent on tearing him down), please do!**

As long as you respond quickly, every single dollar will go *twice as far* to strengthen the

Over, please . . .

campaigns of House Republicans who have stood up to the impeachment-crazed Radical Left.

I offered to help the NRCC round up support for this Matching Gift Challenge because Adam Schiff couldn't shut me up, and neither can a bunch of angry socialists who are pouring huge money into my opponent's campaign. Will you help me . . . will you join me and fight back?

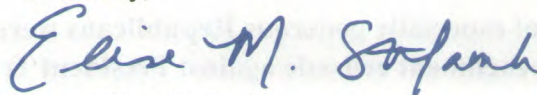

One of the reasons why the Democrats immediately launched a million-dollar campaign against me is because I so visibly took apart their pro-impeachment talking points. And as I mentioned, they are replicating their campaign against me in other areas, dumping **huge money** into the campaign accounts of liberal challengers. Just a few examples . . .

- ✗ In Texas's 21st District, Republican Congressman Chip Roy (one of the most outspoken and fearless conservatives in the House) was outraised by his challenger to the tune of \$360,000 just in the 3rd quarter of 2019;
- ✗ In Washington's 3rd District, GOP Congresswoman Jaime Herrera Beutler's opponent outraised her, raking in a shocking \$600,000 in the 3rd quarter; and,
- ✗ Here in DC, the Democrat Congressional Campaign Committee (DCCC) has already raised **more than \$100 MILLION** for the 2020 campaign cycle. They've outraised us by over \$30 million and are spreading that cash all over America in support of their socialist politicians.

My friend, there's a **nationwide army of Trump-hating socialists pouring money into these Democrat campaigns**, trying to destroy not just the president but also the career of any Republican in Congress who dares speak up against Adam Schiff's abuses of power.

That's why your urgent support is so critical. The NRCC is the official campaign arm for all House Republicans, and as this election year gets underway, we need your help to keep pace with the Democrats' donations. So please rush your best gift back to the NRCC today using the postage-paid envelope provided, knowing your contribution will have double the impact. Thank you in advance.

Sincerely,

Rep. Elise Stefanik

Republican, New York's 21st District

P.S. Adam Schiff tried to shut me up during the impeachment hearings, but the Radical Left can't stop me from fighting back, and they can't silence your voice. So please join your fellow patriots in support of the NRCC's **Matching Gift Challenge**. Your gift of at least \$45 will be matched and help re-elect House Republicans who are standing up for President Trump. When making your donation, please consider:

- *** Your donation of \$45 will be worth \$90 in the fight to expose the Radical Left's lies;
- *** If you send \$100, that will be worth \$200 to help re-elect House Republicans over socialists;
- *** Your gift of \$250 will make a \$500 impact against President Trump's attackers; and,
- *** **If you dig deep and donate \$500, even that will be matched for a whopping \$1,000 to defeat impeachment-crazed Leftists running against my fellow House Republicans.**

Thank you for helping to save our Republic and stop socialism!
