STAND WITH TRUMP AGAINST IMPEACHMENT PETITION TO THE REPUBLICAN LEADERSHIP OF THE 116TH CONGRESS OF THE UNITED STATES OF AMERICA

**To: Senate Majority Leader Mitch McConnell (R-KY)
Senate Majority Whip John Thune (R-SD)
Senate Republican Conference Chairman John Barrasso (R-WY)
House Minority Leader Kevin McCarthy (R-CA)
House Minority Whip Steve Scalise (R-LA)
House Republican Policy Committee Chairman Gary Palmer (R-AL)**

I, the undersigned, do hereby urge you to stand with President Donald Trump against the ongoing Impeachment by Deep State Obama holdovers within the federal government, socialist Democrats, the fake news media, George Soros, the radical Left and turncoat RINO "Never Trumpers."

The Ukraine "quid pro quo" storyline is a clear hoax and, as confirmed by no less than Robert Mueller and his Democrat team of legal assassins, this was also NEVER about Russia, our President's business dealings or any other phony fake news scandals. This has been from the beginning a plot to destroy candidate Trump and now President Trump – period!

You should NOT be collaborating with the likes of CNN, Chuck Schumer, Nancy Pelosi, Jerry Nadler or *The New York Times* to undermine our President.

Instead, you should aim your investigations at the actions of former President Obama before he left office and the actions today of his moles still in the government. This is nothing less than a coup and we who voted you into power demand you stand with our President against it!

Therefore, I further demand that you "Investigate the Investigators" and seek to answer the all-important question: "What did Obama know and when did he know it?"

Sincerely: _____ Date: _____

"There is a serious effort to get Donald Trump out of office 'a rolling coup.'"

– Rush Limbaugh

"This is a rolling coup attempt, organized by elements of the intelligence community, particularly CIA and NSA, abetted by Obama-era holdovers in the understaffed Justice Department... and... the leftist media."

– Former Intelligence officer Michael Walsh

"I don't care if you are a populist, a nationalist, a conservative, a moderate Republican, or an independent. It is time to speak out! This is an attack on our Constitutional system! This is an attack on the elections! We have a silent coup attempt going on here!"

– Mark Levin

The never-ending frenzy in Washington about "Russian interference in our elections" and "obstruction of justice" was never about defending the "integrity" of our elections or "justice."

It is and always has been about reversing the 2016 elections and overthrowing President Trump.

Which is why Mark Levin is right – it's time to speak out... it's time to defend our electoral system and the Constitution... it's time to stand with President Donald Trump Against the Coup!

I hope you agree, _____ – and that you will take each of the following urgently needed **ACTION STEPS.**

ACTION STEP ONE: Check "YES" on the enclosed "STAND WITH TRUMP AGAINST THE COUP" **ENLISTMENT FORM.**

ACTION STEP TWO: Sign the enclosed "STAND WITH TRUMP AGAINST THE COUP" **PETITION** to the Republican Leadership in Congress.

ACTION STEP THREE: Rush back AN EMERGENCY DONATION OF \$15, \$25, \$50, \$100 OR MORE TO "STAND WITH TRUMP AGAINST THE COUP" – a special project of The Conservative Caucus (TCC).

If you could send as much as \$250, \$500, \$1,000 or even more . . . that would be a big boost to our **Stand With Trump Against the Coup** campaign.

(Over, please)

But please, **AT LEAST** send back a gift of \$15 with your **Enlistment Form and Petition**. Each of these action steps are needed *today* . . . and here's why.

ACTION STEP ONE:

YOUR "STAND WITH TRUMP AGAINST THE COUP" ENLISTMENT FORM

The hate-Trump conspirators in the Obama/Clinton Deep State, the fake news media, the socialist Democrat Party, the violent radical Left and the "Never Trump" Republican establishment are rapidly losing patience with their inability thus far to destroy President Trump.

Which is why **the coming days and weeks that lay dead ahead may be the most dangerous yet** for the President, our Constitution, our electoral system and our country.

It now seems only a matter of time before the deranged socialist Democrats begin impeachment hearings against the President.

The fake news media will be cheering them along every step of the way . . . **demanding that the President resign or be impeached, indicted and, ultimately, imprisoned.**

Nancy Pelosi has already accused both the President and Attorney General Barr of committing crimes.

So has the hate-Trump House Judiciary Committee Chairman Jerry Nadler and literally dozens of other Democrat socialists . . . including several leading Democrat candidates for President.

None of these charges are real . . . but that doesn't matter to the deranged hate-Trumpers.

Anything and everything of which they accuse the President, his Administration, his family and his 2016 Presidential campaign will be held as credible evidence for impeachment . . . *no matter how weak it actually is.*

The leftist House Democrats will be cheered on every step of the way by the fake news media, the Hollywood elite, major corporations like Apple and Starbucks, radical socialist billionaires like George Soros and Michael Bloomberg, and college professors everywhere.

One hate-Trump socialist billionaire, Tom Steyer from California, is working to recruit **millions of leftists** to sign a Petition demanding the House impeach President Trump as soon as possible . . . *and he already has nearly 8 million signatures!*

Well, ***we are building a "10 Million Patriots For Trump Army"*** to counter them and the coup against the President . . . and your Enlistment Form is your chance to join the Louisiana Brigade of this Army.

ACTION STEP TWO:

YOUR "STAND WITH TRUMP AGAINST THE COUP" PETITION TO THE REPUBLICAN LEADERSHIP OF THE UNITED STATES CONGRESS

Your Petition demands the Republican leadership continue to Stand With Trump against the barrage of anti-Trump *fake news* from the biased media and frivolous anti-Trump charges from the liberal Democrats, the Obama/Clinton Deep State and the violent radical Left.

(Next page, please)

Your Petition also demands the Republicans FINALLY go on the offensive and launch formal televised hearings to “Investigate the Investigators!”

I am talking about former top-ranking Obama Administration CIA, Justice Department, Homeland Security and FBI officials like **Susan Rice, John Brennan, Loretta Lynch, James Clapper, James Comey and Andrew McCabe.**

What did they have to do with launching a full-scale counter-intelligence surveillance operation against a major candidate for President from the opposition party? What have they done since to try to oust a sitting President of the United States?

And most important of all, **“What did Obama know and when did he know it?”**

The hate-Trump Coup conspirators are terrified Attorney General William Barr may actually find out the answers to these questions and blow up the Coup for the whole world to see.

That’s why they are now as committed to destroying him as they are to destroying the President . . . and it’s crucial the Republicans do all they can to help the Attorney General expose the coup leaders and bring them to justice.

But – **time is short!**

In the coming days and weeks, the frenzy to destroy the Trump Administration by any means necessary will soon shift into high gear.

And please, _____ make no mistake: These hate-Trump conspirators will succeed in destroying his Presidency unless we unleash **every patriot AND dollar** we can muster against them – which brings me back to **my final and most urgent ACTION STEP.**

ACTION STEP THREE:

**RUSH YOUR EMERGENCY DONATION OF \$15, \$25, \$50, \$100 OR MORE
TO OUR “STAND WITH TRUMP AGAINST THE COUP” CAMPAIGN**

“STAND WITH TRUMP AGAINST THE COUP” is a special project of The Conservative Caucus (TCC). My name is Peter J. Thomas. I am Chairman of TCC, and with your help today, we can and we will mobilize a **“10 Million Patriots For Trump Army”** to defend the President against the coup.

Specifically, _____ your gift will help give us the funds we need to:

- 1) **Create a series of videos** highlighting the radical, dangerous, socialist agenda of the pro- impeachment Democrats, the fake news media, the violent and dangerous leftist mobs and the corrupt Obama/Clinton Deep State bureaucrats.
- 2) **Place massive pressure on Congressional Republicans** (with petitions, emails, letters and phone calls from across the nation) to **Stand With Trump** against the ongoing coup **AND** to go on the offensive and launch hearings to **“Investigate the Investigators.”**
- 3) **Produce anti-impeachment, anti-Left, anti-socialism digital display ads** that we will mass distribute via email and social media tools like Facebook, Instagram and Twitter.

(Over, please)

- 4) ***Mail and email Action Alerts to also mobilize Americans*** behind Term Limits, border security, fewer government regulations, a strong national defense and other top conservative priorities of President Trump.

We developed this comprehensive strategy because we know it works. For 45 years now, The Conservative Caucus has been involved in some of the most important policy battles.

It was TCC that helped President Reagan win the Cold War . . . *it was TCC* that helped repeal the Catastrophic Coverage Tax . . . *it was TCC* that helped defeat “Hillarycare” . . . *it was TCC* that helped block President Bush’s amnesty plan . . . *and it was TCC* that was a constant thorn in Obama’s side.

Today, *it’s up to us to now “speak up.” It’s up to us to stop the Coup!*

So please, without any delay:

TAKE ACTION STEP ONE: Check “YES” on the enclosed “STAND WITH TRUMP AGAINST THE COUP” ENLISTMENT FORM – this will make you part of the Louisiana Brigade as we build a “10 Million Patriots For Trump Army.”

TAKE ACTION STEP TWO: Sign the enclosed “STAND WITH TRUMP AGAINST THE COUP” PETITION to the Republican Leadership in Congress.

And last but far from least, **TAKE ACTION STEP THREE . . .**

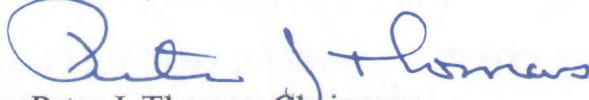

. . . rush back a much-needed donation of \$15, \$25, \$50, \$100 or more to our “STAND WITH TRUMP AGAINST THE COUP!” campaign.

Again, if you can send as much as \$250, \$500, \$1,000 or even more . . . that would be a huge boost to this vital **Stand With Trump Against The Coup** campaign.

But please, **AT LEAST** send back a gift of \$15 with your **Enlistment Form and Petition.**

Each of these action steps are needed *today*. Thank you.

Sincerely,

Peter J. Thomas, Chairman
Stand With Trump and The Conservative Caucus

P.S. What started as “*The Year of Endless Congressional Investigations*” of President Trump, his family, his staff and his conservative policies is fast morphing into “*The Year of Impeachment and Indictment.*”

Hatred, lies and smears spewing out of the socialist Democrats in the House and Senate, the violent radical Left, the Obama/Clinton Deep State, and the fake news media are now non-stop, day in and day out . . . and the deranged frenzy to destroy the President, his Administration and his family is about to become more intense and more dangerous.

Our job is to push back and expose the socialist Democrats for the radical, hate-filled, anti-freedom, anti-republic socialists they truly are for all of America to see come 2020.

So please, **SIGN YOUR ENLISTMENT FORM and SIGN YOUR PETITION TO THE REPUBLICANS IN CONGRESS.** Then send them back today with ***an emergency donation*** of \$15 or more to ***STAND WITH TRUMP AGAINST THE COUP!***

TOP CONSERVATIVES URGE YOU AND ME TO STAND WITH TRUMP AGAINST THE COUP TO OVERTHROW HIS PRESIDENCY

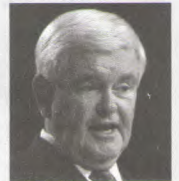

© Nicolas Shayko

“There is a serious effort to get Donald Trump out of office . . . ‘a rolling coup.’”

– **Rush Limbaugh**

“This is a coup d’etat . . . the news media’s one-sidedness is the worst I’ve seen in my lifetime.”

– **Newt Gingrich**

© Gage Skidmore

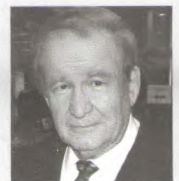

“Rod Rosenstein wanted to wear a wire, secretly record a sitting president of the United States, invoke the 25th Amendment; in other words, a silent coup against his boss by him, McCabe, others, all against a duly elected president. We are experiencing tonight a massive constitutional crisis and, frankly, this is designed to set up the president.”

– **Sean Hannity**

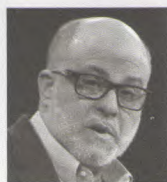

“If this city brings Trump down, will the rest of America rejoice? . . . Will they toast the ‘free press’ that brought down the president they elected, and in whom they had placed so much hope?”

“My guess: The reaction will be one of bitterness, cynicism, despair, a sense that the fix is in, that no matter what we do, they will not let us win. If Trump is brought down, American democracy will take a pasting. It will be seen as a fraud. And the backlash will poison our politics to where only an attack from abroad, like 9/11, will reunite us.”

– **Pat Buchanan**

“I don’t care if you are a populist, a nationalist, a conservative, a moderate Republican or an independent. *It is time to speak out!* This is an attack on our Constitutional system! This is an attack on the elections! We have a silent coup attempt going on here!”

– **Mark Levin**

IN THEIR OWN WORDS: THE LUNATIC LEFT IS MOVING TO IMPEACH

“This is formal impeachment proceedings... We are investigating all the evidence, we’re gathering the evidence, and we will at the conclusion of this – hopefully by the end of the year – vote articles of impeachment to the House floor, or we won’t. That’s a decision that we’ll have to make. But that’s exactly the process we’re in right now.”

– **House Judiciary Chairman Jerry Nadler (D-NY)**

“What Robert Mueller basically did was return an impeachment referral. Now it is up to Congress to hold this president accountable. We need to start impeachment proceedings.”

– **U.S. Senator and Presidential Candidate Kamala Harris (D-CA)**

“Obstruction of Congress, following on the obstruction of the Mueller investigation, does strengthen the case to move forward with an impeachment proceedings.”

– **House Intelligence Committee Chairman Adam Schiff (D-CA)**

“It has become clear that the House should begin proceedings to determine whether the president’s action necessitate impeachment.”

– **Third Ranking Democrat in the Senate, Patty Murray (D-WA)**

These leftists are just the tip of the iceberg in the growing coup to overthrow the President. More than 100 Democrat socialists in Congress are now calling for impeachment. So have at least six major candidates for President and countless members of the Fake News Media.

THAT’S WHY IT IS CRUCIAL TRUE AMERICAN PATRIOTS JOIN US AS WE CONTINUE TO STAND WITH TRUMP AGAINST THE COUP!
