## **I STAND WITH TRUMP FOR RE-ELECTION**

**An Emergency 2020 Independent Expenditure Campaign of The Conservative Caucus (TCC) to Energize and Mobilize Voters for the Re-election of President Trump**

Dear

With the very survival of the United States at stake here in 2020, I urge you to immediately:

- 1) **Complete** the enclosed “*2020 Road to Trump Victory Survey*”; and
- 2) **Rush back an emergency donation** of \$15, \$25, \$30, \$40, \$45 or more to **The Conservative Caucus (TCC)** along with your completed Survey.

Please, **it is vital** that you and every other patriot I am writing to today take each of these action steps without delay ... and here’s why.

**For more than 45 years**, we here at **The Conservative Caucus (TCC)** have been a major leader in fighting for, and protecting, our liberty and the Constitutional foundation America was built upon.

Now all we have fought for is at risk of being swept away in a Democrat socialist wave in November.

**That’s why we have taken the extraordinary step** of launching **an emergency 2020 Independent Expenditure campaign** to re-elect President Trump and crush the Democrats and their radical socialist agenda ... **and why WE NEED YOU to be a key part of this historic, life-or-death crusade.**

With your help, we plan to energize and mobilize **an independent army of freedom-loving patriots** who will fight to defeat the Democrat socialists and re-elect President Trump in November.

A tall order, yes. But the fact is we who love liberty and our country **have no other choice.**

**The Republican establishment doesn’t realize we are fighting** for the survival of our republic and they are not willing to get down in the dirt and do what must be done to win this fight ... **but we do and we are!**

**The Republican establishment doesn’t have the courage** to do what must be done to fully expose and brand the Democrats for the radical, hate-filled, totalitarian socialists they are ... **but we do and we will!**

And (with the exception of a handful of GOP heroes like Jim Jordan, Mark Meadows and Matt Gaetz) **few Republicans are willing to stand up** and celebrate the tremendous conservative accomplishments of President Trump ... **but we are and – with your help – we will.**

Bottom line? Unlike the Republicans (many of whom are part of the very swamp President Trump is trying to drain), we will **TAKE THE GLOVES OFF** against the Democrat socialists!

We **DON’T CARE** if we are attacked by the fake news media ... we are **NOT PART** of the Washington, D.C. political class ... and we **DON’T LISTEN** to big government GOP consultants. But we **ARE** willing to do what must be done to expose and defeat the Democrat socialists before they seize

power, handcuff our liberty and destroy our country.

never before have we here at The Conservative Caucus attempted something **this large, this historic and this important** ... but never before has our liberty been in such dire jeopardy.

After failing to oust President Trump in their impeachment Coup, the Democrats are now pouring hundreds of millions of dollars into defeating him in November, holding the House, and retaking the Senate.

**WHOEVER they nominate** will, if elected, work to finish what Barack Obama started and fully transform America into a permanent socialist nightmare.

He or she will **take away your Medicare** and replace it with "**Rationed Medicare for All,**" severely **restrict our religious liberty and free speech, confiscate firearms** from law-abiding Americans, destroy America's economy with taxes and their fantastical "**Green New Deal,**" **stack** the Supreme Court, and **punish** churches and pastors who oppose same-sex marriage and abortion ... and all that's just for starters.

Even more alarming, **they will permanently cement their hold on power** by making it impossible for any conservative to **EVER** again win the Presidency by **abolishing** the Electoral College, **allowing** millions of illegal aliens and felons to vote, and **eliminating** all voter ID requirements.

That's why the 2020 elections are a battle for the very survival of America as you and I know it, why we are building a national Trump Army to win this battle, and why you and every other patriot we contact must **answer our call to arms** and enlist in this Trump re-election army today.

As your first act, I need you to complete the enclosed "**2020 Road to Trump Victory Survey.**"

Please, **this is very important.** We're implementing a **comprehensive election plan** to unite patriots like you into a powerful national army.

**This Survey is designed to help us fine tune this plan and make sure we are providing citizens like you with election information, updates and materials you need to help make an impact where you live.**

It asks if you are registered to vote, if you know how to vote early, and where your polling location will be on Election Day. It asks how energized you are for the elections and how energized your neighbors are.

It is designed to help give us a clear picture of what is happening politically in your community, in Tickfaw, and in your part of Louisiana.

What are people in your community saying about President Trump, the Democrats, impeachment, Iran and the upcoming elections? **Are there people you know who are afraid to talk politics** out of fear of offending or angering their liberal friends, neighbors and/or relatives?

Your Survey also asks key strategic questions about what needs to be done to help re-elect the President.

For example, **which issues should we stress the most when warning voters about the damage the Democrat socialists will do if they win the Presidency in November?**

Do you agree that **we cannot trust the Republicans** to do what must be done to win? And do you fear as we do that **someone like Michelle Obama may swoop down at the last second** of the Democrat National Convention, grab the nomination and roll into the fall with a full head of steam?

All of these questions will help us craft, grow and mobilize an army of freedom-loving American patriots who will march across the nation for the re-election of President Trump in November.

(Next page, please)

In short, we conservatives must be prepared for **EVERYTHING** and **ANYTHING** that may happen between now and Election Day in November.

The Democrat socialists are fully energized and mobilized in their quest to defeat and bring down the President. We conservatives need to be just as energized, mobilized and determined to re-elect President Trump because – again – **we can't rely on the Republican Party to do what must be done to win this fight!**

Remember, it was not the GOP leadership that elected President Trump.

**It was you and me! It was us!** Now it is up to us to pull out all the stops to re-elect the President ... which brings me back to the most important action step I need you to take today ...

**... your emergency re-elect Trump donation of \$15, \$25, \$30, \$40, \$45, \$75 or more to The Conservative Caucus (TCC).**

**"I Stand With Trump for Re-election"** is a special project of **The Conservative Caucus, one of the oldest, largest and most successful conservative organizations in America.** For decades, we have been helping lead the charge in Washington for our pro-liberty cause and for America.

**It was TCC** that helped President Reagan win the Cold War, repealed the unfair Catastrophic Coverage Tax, and defeated "**HillaryCare,**" and **it was TCC** that was a constant thorn in Obama's side.

Over the last three-plus years, **it was TCC** leading the charge to **Stand With Trump Against Impeachment and the Coup** ... and with the help of patriots like you, we have successfully fought off one phony charge against the President after another, and we continue to battle against the Coup today.

But now the time has come to look to the November elections, and today **it is TCC** that is leading the charge **to unite patriots like you** who will march across the country for the re-election of President Trump in November, and **with your political and financial support,** we can and we will.

**By political support,** I mean this: We need conservatives like you to match the zeal of your anti-Trump neighbors and relatives and fight just as hard for the President in your own communities.

Specifically, **we need you and millions of other conservatives across the country to knock on doors, write pro-Trump letters to the editor, call into local radio talk shows, display pro-Trump yard signs and bumper stickers, voice support for the President on Facebook, Twitter and other social media sites, and express strong opposition** to the dangerous and radical agenda of the Democrat socialists.

We also need you to **make sure you and your conservative friends are registered to vote** in your area, know how to vote early, know where to vote on Election Day and, most importantly of all, **VOTE!**

**By financial support,** I mean this: We need your most generous donation of **\$15 or more** to help raise the funds we need to **brand the Democrats as the dangerous and radical anti-American socialists they truly are.** Specifically, your special gift of **\$15 or more** will help us:

1) **Reach** specific voting blocs (such as seniors, millennials, church-going African Americans, suburban housewives, veterans, etc.) across the country, but especially in targeted states, with information about how the Democrats' socialist agenda is a direct threat to their interests via:

- Radio ads
- Newspaper ads
- Telemarketing
- Direct Mail
- Email
- Facebook
- Twitter
- You Tube
- Other social media Internet platforms

(Over, please)

2) **Distribute** pro-Trump, anti-socialism, anti-fake news media promotional materials:

- Issue Scorecards
- Videos
- Media Bias Action Alerts
- Fact Sheets
- Voter Guides
- Booklets
- Bumper Stickers
- Newsletters

3) **Provide** a go-to pro-Trump, anti-Democrat socialism website where voters can go for election-related information, sample Letters to the Editor, issue talking points, campaign tools (like bumper stickers) and up-to-date election news.

We will be implementing this pro-Trump campaign all across the country. But **our primary focus will be 12 key Battleground States** that will decide who wins the Presidency in 2020.

These states are **Arizona, Nevada, Iowa, Minnesota, Michigan, Ohio, Florida, Georgia, Pennsylvania, New Hampshire, North Carolina and Wisconsin** ... and, with your support, **we plan to help President Trump win them all on Election Day.** So please, **without any further delay:**

- **Complete** our “*2020 Road to Trump Victory Survey*”; and
- **Rush back** this vital Trump re-election document along with **a much-needed and special donation** of \$15, \$25, \$30, \$40 or \$45 to **The Conservative Caucus (TCC)**.

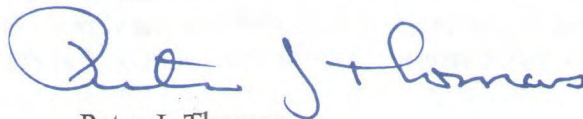

**If you can afford to send a larger gift of \$75, \$105, \$150 or even more,** that would be a huge boost as we get this national Trump re-election effort fully up and running.

Again, **we are going to need every supporter and dollar we can muster** in this campaign for the very survival of our country as we know it.

That may sound overly dramatic, but if anything, it understates the danger we face. If President Trump is defeated and the Democrat socialists take over, **America will be lost forever.**

We who love freedom and our country cannot and must not allow that to happen. **We must all answer the call today!**

Sincerely,

Peter J. Thomas  
Chairman, The Conservative Caucus

**P.S.** in the weeks and months ahead, the Democrat socialists and their ultimate Presidential nominee will have the full power and money of the fake news media, Hollywood, the violent radical Left, the corrupt Deep State and, of course, establishment Never Trump Republicans. Worse still, we have reason to suspect **Barack Obama and his close allies are plotting for Michelle Obama** to sweep in at the last moment, untouched from the debate and primary battles and loaded with cash. **WE MUST BE PREPARED FOR THAT SURPRISE AND ANY OTHER THE DEMOCRAT SOCIALISTS MAY THROW AT US BETWEEN NOW AND ELECTION DAY, AND WITH YOUR HELP – WE WILL BE!** So please, , act now – today!

Complete your “*2020 Road to Trump Victory Survey.*” Then send it back today along with **a much needed and special re-elect Trump donation** of \$15, \$25, \$30, \$40, \$45, \$75 or even more to **The Conservative Caucus (TCC)** today.
