

Senator Ted Cruz

U.S. Senator - Texas
Republican

Dear Friend,

This issue is bigger than one person.

I am referring to the God-given right to life.

As you know, millions of babies here in the United States have been denied that right. They were killed in the womb before taking one breath in this world.

What you may not know is that you are forced to pay for these unjust killings with your tax dollars!

→ Planned Parenthood – which puts to death more than 300,000 unborn babies every year – gets about \$500 million from the federal government annually.

That is why I took time out of my busy schedule so I could write this letter to you, asking you to sign the enclosed **Petition to Defund Planned Parenthood.**

Once you've signed your **PETITION**, use the enclosed envelope to return it to Susan B. Anthony List's Washington, D.C. headquarters.

* And when you respond, please – *if you are blessed with the means to do so* – include a special donation of \$500, \$250, \$100, \$50 or even \$25 to expand this nationwide petition drive to include more identified pro-life citizens. *

But pro-abortion politicians like Nancy Pelosi are running the House of Representatives, and they are working to give more of your money to Planned Parenthood, which will result in the deaths of more innocent unborn children all over America.

Even worse, Joe Biden and Kamala Harris campaigned on one of the most pro-abortion platforms in American history. They think they have a mandate to expand taxpayer funding for Planned Parenthood. And they have already staffed their administration and their Cabinet with extremists who think killing babies counts as "health care."

That's why I'm counting on you to sign the enclosed **PETITION** and mail it back using the envelope provided ASAP.

Your signed **PETITION** will tell your elected officials that you are part of the MAJORITY of American citizens who believe it is just plain wrong to force taxpayers to pay for abortions. And your generous

Over, please . . .

financial donation of \$500, \$250, \$100, \$50 or even just \$25 will help in two important ways:

* FIRST, you'll help Susan B. Anthony List mail more **PETITIONS** to hundreds of thousands of other pro-life Americans like you in key states. No elected official can afford to ignore an overwhelming number of **PETITIONS** from their own constituents! Every additional signature Susan B. Anthony List can get will turn up the pressure on Congress to finally act and **defund Planned Parenthood**;

* SECOND, your donation could help Susan B. Anthony List stop any attempt by the far-left Democrats to **pack the Supreme Court with pro-abortion extremists**! Susan B. Anthony List helped add THREE new pro-life U.S. Supreme Court justices. Our opponents have been openly plotting to expand the number of seats on the U.S. Supreme Court and fill them with activist judges who deny the God-given humanity of babies in the womb. **With your help, Susan B. Anthony List will mobilize grassroots opposition and WIN for LIFE!**

This is important because, during the Trump Administration, we confirmed more than 200 judicial nominees in the lower courts, which are the first to consider pro-life policies passed in the states. At a national level, if the Supreme Court can dismantle *Roe v. Wade* and other pro-abortion Supreme Court rulings, we can protect countless babies from being killed by Planned Parenthood.

So please don't lay this letter aside. Sign and return your **PETITION** along with your contribution of \$500, \$250, \$100, \$50, \$25 - or whatever you can afford - to **Susan B. Anthony List** TODAY!

For Life,

The Honorable Ted Cruz
U.S. Senator (R-TX)

P.S. Planned Parenthood gets nearly \$500 million in taxpayer funding every year! And they use that money to kill precious boys and girls in the womb. It is immoral, unjust, and it has to stop.

With Joe Biden bringing his pro-abortion agenda to the White House, I am working with a strong group of pro-life allies on Capitol Hill, building support to cut off Planned Parenthood's tax funding. And Susan B. Anthony List is leading the grassroots charge on this front, rounding up more grassroots support among **American citizens who hate the idea that they are forced to pay for abortion with their tax dollars. All that's missing is you!** Will you add your voice to this lifesaving effort? Thank you and God Bless! - Ted.

Petition to Defund Planned Parenthood

To: **Senator Bill Cassidy**
Senator John Neely Kennedy

Whereas, Every year, Planned Parenthood and other abortion "providers" put to death roughly one million innocent unborn babies;

Whereas, Planned Parenthood receives nearly \$500 million in tax dollars each year to fund its radical abortion agenda;

Whereas, Planned Parenthood executives were caught on video allegedly talking about illegal late-term abortions and selling the organs of babies who die in their clinics;

Whereas, Additionally, Planned Parenthood has an active political arm that attacks pro-life candidates and supports pro-abortion candidates like Nancy Pelosi, Chuck Schumer, Joe Biden, Bernie Sanders, and Kamala Harris;

Whereas, No American should be forced to fund Planned Parenthood or subsidize abortions with their hard-earned money; and,

Therefore, I urge you to fight to defund Planned Parenthood immediately.
