

Early Monday Morning

Dear

Will you help me FIRE Liz Cheney, a Washington, DC insider who has been working with Nancy Pelosi to deflect attention from Joe Biden's utter failure as a President?

No sooner had President Trump endorsed my primary challenge to Liz Cheney than she shot back with her usual arrogance to "bring it."

Regardless of what she may think, we relish the challenge.

I'm counting on you to help me "bring it" by rushing me back a \$35 or more emergency campaign donation in the next 3 days.

We don't have a moment to lose.

The failed leadership of the establishment is rallying around Cheney to help her retain Wyoming's Lone Congressional Seat.

Just days ago, Mitt Romney headlined a ritzy fundraiser to raise *millions* for Cheney.

That's after Cheney admitted in a *60 Minutes* interview that her record-breaking fundraising haul was helped out by *Democrats*.

She has even been ENDORSED by major Democrat groups!

if there was ever a time for conservative Americans to stand up to the elitist establishment, it's now. And it's against Liz Cheney. Will you help me?

I'm getting ahead of myself.

Before you decide to give to my campaign to FIRE LIZ CHENEY from

Paid for by Hageman for Wyoming

Congress, let me tell you a little about who I am, why President Trump endorsed me, and why we need your immediate help.

My name is Harriet Hageman, and Wyoming is my home. Growing up on a ranch outside of Ft. Laramie, I learned from an early age the value of family, hard work, integrity, self-sufficiency, and honesty.

These are not just values Joe Biden and his fellow radical Democrats hate – they run absolutely counter to the values of a small group of elitist Republicans who want to control our Party. . . and who long ago sold out our country to the highest bidder to retain their power.

I should know – like many in my state, and many more around the country, I was taken in by these same “Republicans.”

And as a freedom loving constitutional lawyer who has fought hard against the destructive laws and regulations spilling forth from Washington, DC, I have been betrayed by Liz Cheney’s willingness to abandon *our* conservative values in order to provide political cover for Joe Biden’s and Nancy Pelosi’s radical agenda.

No more. Will you support my campaign to defeat Cheney with a \$35, \$50, \$100, \$250, \$500, or \$1,000 emergency campaign donation?

As I said at the start of this letter, **President Trump is 100% behind me.**

He knows the people of Wyoming – and the *American* people – deserve better than Cheney, and he knows I’ll never abandon our conservative values once elected to Congress.

In Wyoming, we have a long and proud history of standing up against an overbearing government.

In Washington, I promise to do the same . . . **unlike Cheney, who made clear where she stands when she fist-bumped Joe Biden.**

After all, Liz spends more time propping up Nancy Pelosi than she does fighting back against big government bureaucrats who waste our tax dollars; throw open our borders; and silence, censor, and lock-up conservatives who disagree!

Even though I have President Trump’s complete and total endorsement, there’s one endorsement I still need: *yours.*

Will you rush back your \$35 or more emergency campaign donation to let me know I have it?

Despite the polls showing Cheney is grossly unpopular in Wyoming, she still thinks she can win re-election, and she will spend whatever amount of money that she can in order to make that happen!

In fact, when liberal *60 Minutes* asked her if she could win the Wyoming primary, she said “absolutely . . . this is going to be the most important House race in the country.”

She was right about one thing – this *will* be the most important race in the entire country – but only because it will be one of the most important steps in saving America from the establishment enabling Joe Biden.

Again, I’ll need your help to beat her.

As I said, Cheney can count on the deep pocketbooks of the entire establishment, including Neocons like Karl Rove who’ve gotten rich off their never-ending wars.

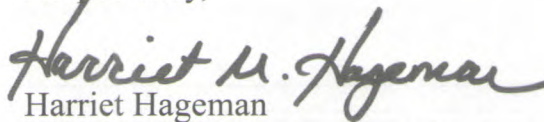

That’s not even saying anything for her *left-wing* supporters, many of whom will vote for her in Wyoming’s open primary!

But with your help, and especially your financial help, I know we can beat them. And I know we can send Liz Cheney and her entire family packing *for good*.

So please, won’t you use your enclosed pre-addressed envelope to rush back a \$35, \$50, \$100, \$500, \$1,000, or FEC maximum \$2,900 emergency donation to my campaign in the next 3 days?

Liz Cheney represents everything the Political Elitists stand for, and everything we must fight against. Will you help me make sure we win that fight?

Respectfully,

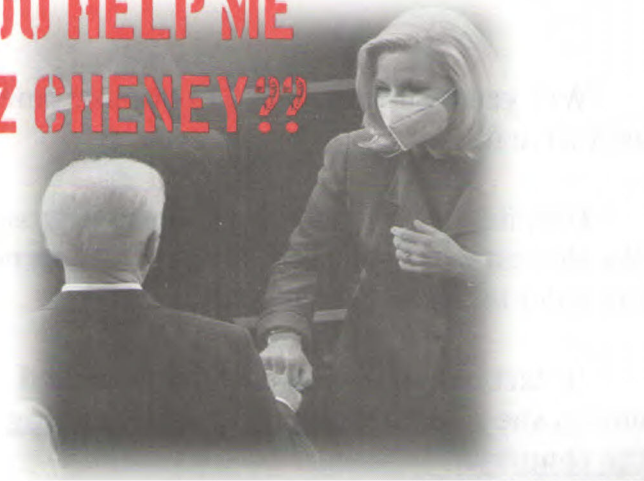

Harriet Hageman

America First Conservative for Congress (WY)

PS: It’s horrible to see Liz Cheney teaming up with George Bush and Mitt Romney to demonize conservatives and raise millions to back Nancy Pelosi’s unconstitutional power grab in Congress. It’s even more shocking – and embarrassing – for her to claim that she speaks for the people of Wyoming and America. No more – will you rush a \$35 or more donation to my campaign to defeat her in next year’s Republican primary?

WILL YOU HELP ME FIRE LIZ CHENEY??

FROM:

Yes, Harriet! I'm proud to stand up for our country and stand against Joe Biden, which are two things Liz Cheney will NEVER do. And that's why I'm proud to support you in your primary challenge against her, especially now that you have the endorsement of President Trump!

Because Cheney is already claiming she can win this race, and because she's enlisted the help of establishment RINOs like George Bush to help her raise millions, I'm proud to help you fight back with a campaign donation of:

- \$35
- \$50
- \$75
- \$100
- \$250
- \$500
- \$1,000
- \$2,900* maximum
- My Best Gift: \$ _____

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 during an election cycle. An individual may not contribute more than a total of \$2,900 (maximum for Primary Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.
