

ELI CRANE

FORMER NAVY SEAL SNIPER - SEAL TEAM 3
REPUBLICAN FOR U.S. CONGRESS - ARIZONA

My Fellow American,

When I was a Navy SEAL, I stopped terrorists from wreaking havoc on our shores, but now weak career politicians in Washington have left our country defenseless as our southern border is being completely overrun.

I'm running for U.S. Congress in the border state of Arizona.

My opponent is one of those weak career politicians that takes his marching orders from Joe Biden, Nancy Pelosi, and the radical open borders lobby.

His name is Tom O'Halleran and you've probably never heard of him.

But he's one of the most vulnerable Democrats in Congress currently representing a Republican swing district where President Trump won.

With your help today I will defeat him and bring my battle-tested conservative credentials to Congress where I will fight against the "do nothing" Washington Establishment until the Biden Border Crisis is ended, our southern border is secured, and our sovereignty is restored.

As you well know, our southern border is a mess right now...

Drugs, Disease, and Dangerous terrorists are pouring into our nation.

Meanwhile, all the Democrats want to do is raise your taxes, take away your God-given rights, and force us into submission under their tyrannical regime.

It's not right, it's not fair, and it's downright not the American way.

I'm running for U.S. Congress because I believe it's time that *We the People* rise up and take back our country.

We the people deserve real leaders in Washington who will put the safety and

security of law-abiding Americans first.

We the people deserve real leaders in Washington who understand that border security is national security.

And *We the people* deserve real leaders in Washington who work tirelessly to end Biden's Border Crisis by reimplementing President Trump's successful border security policies.

In short, when it comes to illegal immigration, I firmly believe:

+ + + The Trump Border Wall works and it must be *finished*.

+ + + The Trump "Remain in Mexico" policy must be *enforced*.

- - - The Biden Catch-and-Release of criminal illegals must be *ended*.

- - - The Biden "Sanctuary City" policy must be *repealed*.

Every American deserves protection from the human traffickers, drug dealers, and terrorists who enter our country illegally.

It's time we gained operational control of our borders by empowering front-line agents and officers to enforce the laws of our country, apprehend, and deport illegal border crossers.

WE MUST FIGHT BACK BEFORE WE LOSE OUR COUNTRY.

Weak career politicians like Joe Biden, Nancy Pelosi, and my opponent, Tom O'Halleran, are destroying our country from within.

In fact, Tom O'Halleran has voted in lock-step with Nancy Pelosi 98% of the time.

He's voted with Pelosi to pass "automatic voter registration" which would make it easier for illegal immigrants to vote in our elections. He voted against defunding "sanctuary cities." And right now he's a co-sponsor of an amnesty bill that's working its way through Congress right now.

As you might imagine, this brand of far-left liberal politics does not play well among my neighbors here in Arizona's Second District.

You see, despite what the liberal biased media says, folks down here still love President Trump, they respect our brave men and women in uniform, and they want

our southern border secured.

And after what happened here during the 2020 elections, Arizona voters desperately want illegal votes thrown out and our election integrity restored.

My district is listed as “R+7,” which means it *leans Republican*.

Heck, we voted to send President Trump to the White House.

Now I’ve been told that just like me you’re a die-hard conservative...

That just like me you believe in FAITH, FAMILY, and FREEDOM.

If that’s true, I really hope you’ll join my campaign team, but first I’d like to tell you a little more about myself.

I grew up in a pretty typical working-class family in Yuma, Arizona. I loved sports, played quarterback for my high-school football team, and then went to college to study criminal justice.

Then on September 11, 2001, my plans changed. I decided to join the military, serve my country, and so the next week I drove to the nearest recruiting office to enlist in the U.S. Navy.

Over the next 13 years, I went on five wartime deployments, three of them to the Middle East with the elite SEAL Team 3.

After retiring from active duty, I returned home to Arizona and began a small business along with my wife, Jen.

Our company is called Bottle Breacher, which was featured on the hit T.V. show *Shark Tank*. Our mantra is built on our Made in the U.S.A. promise driven by the belief that it is our duty to serve those who serve us.

And today, I’m running for Congress to unseat an unpopular Democrat incumbent in a Republican-leaning district.

Now, when it comes to the issues you and I care deeply about...
I’m proudly 100% PRO-LIFE, PRO-GUN, and PRO-AMERICA FIRST.

Conservative T.V. and Radio host “The Great One” *Mark Levin* endorsed me. He said: *“You’re the kind of representative we need... so I’m going to support Eli Crane... I don’t sit on the sidelines when I hear a great candidate -- that’s it!”*

With these midterm elections heating up fast, I desperately need to raise some serious money if I'm going to stand a chance at unseating a liberal incumbent.

If you're willing to help, I'm asking you to send a contribution of \$35, \$50, or \$100 within the next three days.

And if there's any way you can, please send more. I'm definitely going to need some folks to bless our campaign by sending back a few larger contributions such as \$250, \$500, or even \$1,000.

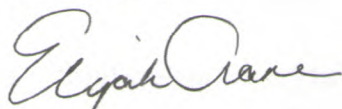

In fact, if you can send a special "max out" gift of \$2,900 – it would certainly go a long way in helping me close the fundraising gap and win this race.

But no matter what amount you can give, I'm asking that you please get involved at some level.

Every single dollar will help get me closer to our goal of defeating my vulnerable Democrat opponent, Tom O'Halleran.

But whatever you can send – whether \$35, \$50, \$100, \$250, \$500, \$1,000, or even \$2,900 – please send it as soon as possible. There's no time for delay.

God Bless,

Eli Crane, Former U.S. Navy SEAL

Republican Candidate for Congress (AZ - 2)

P.S. Will you help send a Navy SEAL to Congress who knows what it takes to protect our border – and our country – from America's enemies? If so, please join me by rushing back your very best campaign contribution of \$35, \$50, \$100, or more within the next three days?

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 during an election cycle. An individual may not contribute more than a total of \$2,900 (maximum for Primary Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations, or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.
