

FROM THE DESK OF

# KEVIN HAYSLETT

CONSERVATIVE ATTORNEY FOR  
**U.S. CONGRESS - FL**

April 27, 2022

Dear \_\_\_\_\_,

There's an old saying I'm sure you've heard before:

"Strike while the iron's hot."

That's where I find myself today.

Our country is in shambles.

Voters are red-hot mad about it.

And it's time for my campaign to strike.

***Will you use the enclosed envelope to rush back a gift of at least \$45 to send a conservative fighter to Congress on November 8<sup>th</sup>?***

I know conservatives like you and me aren't surprised in the slightest at the state Joe Biden and the Democrats have drug us to.

But for undecided voters – it's a huge shock.

Just think, you have to spend over \$100 just to fill up your gas tank.

You can't buy everything on your grocery list because of supply chain issues – and when you can get what you need it costs twice what it used to because of inflation.

And whenever you turn on the news all you see is the devastation of war in Eastern Europe.

People are mad. And they're looking for someone to blame. It's our job to show them who those to blame are.

**It's Joe Biden and the anti-American, socialist Democrats.**

But you know as well as I do, we can't rely on the media to honestly report anything – much less report on the incompetence of the politicians that own them.

That's where I come in.

Me and my team need to knock on every door within 200 miles of us, we need to register every new voter we can find, and we need to host as many get-out-the-vote drives as humanly possible.

But all that costs money. And since I'm not a career politician, and I'm not funded by the Establishment, money is something I don't have a lot of.

That's where you come in.

Your gift of just \$45 could help my team reach up to 20 undecided voters. That's enough to win an election.

### **Can I count on you to help me?**

I know you might be thinking, "Well Kevin, there are a lot of elections this year, why yours?"

And the answer to that is simple.

I'm running for Charlie Crist's old seat in Florida. You might remember him as a traitor who was elected as a Republican, then promptly switched parties to become a Democrat, abandoning the American people.

We can NEVER let that happen again – especially since Republicans only need to pick up 6 seats to win control of the House of Representatives.

*My seat MUST be one of the seats.*

The same Florida that boasts the best Governor in America, Ron DeSantis, cannot be state responsible for the seat that keeps Americans under the heel of the Democrats.

Your \$45 gift, or whatever you can afford to give, could be the difference. The most important thing is that I hear back from you as quickly as possible.

And in case you have any questions about what kind of Congressman I'll be or what I believe in, I'll tell you right now:

**Go open a Bible or read through the Constitution.**

Because that's my policy. Nothing more and nothing less.

And now that you know that I need to make sure I can tell every undecided voter in my district the same thing.

Because if the leaders of this country were reading the Bible and following the Constitution, we would not be in the mess we're in today.

And if you agree with me, now is the time to get out your pen, fill out the enclosed Reply Form, and send it back to my campaign with your best gift of \$45, \$100, \$250, \$500, \$1,000, or even the maximum allowed by law, \$2,900.

**But whatever you can afford to give, the most important thing is that I hear back from you as soon as possible.**

Thank you for taking the time to read this letter. I'll be looking out for your reply.

Sincerely,

Kevin Hayslett

Conservative for Congress (FL-13)

**P.S.** Old sayings withstand the test of time for a reason – because they're true. That's why when I think "strike while the iron's hot," I know that's what we need to do right now. Our country is falling apart, and it's our job to reach every undecided voter we possibly can and show them the reason for that. Joe Biden and the anti-American Democrats.

Your gift of at least \$45 is what will give my team the resources we need to reach these voters before election day *and* could be the difference between a Republican and a Democrat controlled House. So please, rush me your best gift in the enclosed Reply Envelope within the next 24 HOURS. Thank you for your support and your patriotism!

Federal election law requires political committees to use best efforts to report the name, mailing address, occupation, and name of employer of individuals whose contributions exceed \$200 during an election cycle. An individual may not contribute more than a total of \$2,900 (maximum for Primary Election) per election to the committee. Federal law prohibits contributions to the committee from the general treasury funds of a corporation, labor organizations or national banks (including corporate or other business entity credit cards), from any person contributing another's funds, from a Federal government contractor, or from a foreign national who lacks permanent resident status.
