

BLAKE MASTERS

REPUBLICAN NOMINEE FOR U.S. SENATE (ARIZONA)
TRUMP-ENDORSED AMERICA FIRST CONSERVATIVE

I won the Republican Primary. Now I need *your* help to win in November.

Will you help me defeat Mark Kelly and retake control of the U.S. Senate?

Dear Fellow Conservative,

I won the Republican Primary and now I need your help to win again on November 8th.

With your help I will unseat vulnerable Democrat Senator Mark Kelly.

This race is the key to retaking Republican control of the Senate.

There simply is no path to 51 Republican votes without it.

So please, help me defeat Mark Kelly, flip the Senate, and save our country from Joe Biden's dangerous agenda.

While the Radical Left demands open borders, government spending that drives inflation, high taxes, and unfair elections.

Too many Republican politicians are so afraid of being called *racist* that they cower in fear of the Left's radical demands.

Aren't you sick and tired of this weak-kneed Republican leadership?

I sure am! That's why conservative Arizonans overwhelmingly chose me to be their Republican Senate nominee on the ballot this November.

Our kids and grandkids should grow up in an America that WORKS.

And my opponent, Mark Kelly, stands in the way of that.

He told us he would vote to secure the border in Arizona – *but sent truckloads of money to secure Ukraine's border instead.*

He said he would look out for Arizona workers – *but has never met a tax hike he wouldn't vote for.*

He promised us he would be an independent voice in Washington – *but he votes in*

lockstep with Chuck Schumer and the radical Senate Democrats.

THAT'S WHY WE HAVE TO DEFEAT MARK KELLY.

And he *is* beatable. Even CNN is worried about defending Kelly's dismal voting record...

They listed our Arizona Senate seat in a recent article:

“The 10 Senate Seats Most Likely to Flip In 2022” – CNN

This one seat is our best chance – it is the KEY – to taking back the Senate for conservatives, blocking the radical left's power grab, and restoring bold leadership in Washington for years to come.

Will you join my campaign for Senate with a generous one-time donation of \$35 in the next 48 hours?

Mark Kelly has a huge head start because he's bought and paid for by the radical Left. They've been funneling money into his account for years. In the first quarter of 2022, he raised *\$8 million*, and he currently has *\$13 million* sitting in his war chest.

Why is the Left throwing so much money at him?

Because they can't afford to lose this seat.

Kelly is weak, and Democrats know conservatives like us are done playing defense. We're here to play offense.

We're interested in only one thing: **TAKING OUR COUNTRY BACK.**

And the Left is scrambling to counter our energy and prop Kelly up as the election approaches.

I'd worry too if I were him.

Mark Kelly has shown that he cares more about the opinion of Chuck Schumer than the people of Arizona.

But the fact of the matter is, he's still one of the Democrats' top fundraisers, raising \$13.6 million in the second quarter of 2022.

This race has caught the attention of every Democrat in the nation, and they will

raise millions of dollars in dark money to dump into Arizona.

This is the seat that will decide the majority in 2023. And I need your help to defeat Mark Kelly and take this seat.

But this race isn't *just* about stopping Kelly. It's about new, bold conservative leadership.

I earned President Trump's endorsement and, just like him, I'm a business-minded, conservative outsider.

In 2014, I was honored to be listed among the brightest young entrepreneurs on the *Forbes 30 Under 30* list. And before entering this Senate race, I proudly served as the Chief Operating Officer of a multi-billion dollar firm that invests in new, innovative ideas.

You may also recognize me from my interview with *Tucker Carlson* where we discussed my plan to stave off threats from the social media giants.

I'm also a proud husband and father to three amazing young boys.

And when I see the way things are trending in this country, I worry about the freedoms my children may never know.

I'm running for U.S. Senate to bring a business-minded approach to Congress, to be a fresh voice, and to usher in a new generation of leadership – *rock-solid leaders who can stand up for conservative principles and win.*

Will you return your **Blake Masters for Senate** reply and join my team with a one-time gift of \$35 in the next 48 hours, help me defeat Mark Kelly, and flip this crucial Senate seat?

With November 8th fast-approaching, we have a limited amount of time to ramp up the campaign for one final push of TV ads, phone calls, and voter contact.

Running an air-tight campaign across 15 counties that span 113,998 square miles is no simple task.

Flipping the most crucial Senate seat won't be easy – *but it can, and it will, be done if we all pitch in.*

That means holding campaign rallies, traveling across Arizona to meet with voters,

and of course, hitting the pavement, and knocking on doors.

And if we're going to keep pace with Kelly, we need your help.

I would be grateful for any contribution you can make.

If you can spare \$35, it would make a real difference.

If you can afford to contribute more—say \$50, \$75, \$125, \$250, \$500, \$1,000, or even the \$2,900 maximum—it would make all the more difference.

This campaign will take sacrifice. Winning always does.

But the alternative is more of the same—the same record inflation, rising crime, and systemic failure that we're seeing now.

We **MUST** take back this seat.

We **MUST** take back the Senate.

This is **OUR** country, and **WE** are the only thing standing in the way of those who want to run it into the ground.

So, I hope you'll give me the chance to fight for you in the U.S. Senate.

Sincerely,

Blake Masters,
Republican Nominee for U.S. Senate (Arizona)
Trump-Endorsed America First Conservative

P.S. This race is the key to retaking Republican control of the Senate. Win here, win the Senate and win back our country. Can I count on you to join me by returning your **Blake Masters for Senate** reply and a gift of \$35 or more in the next 48 hours?

Together we will defeat Mark Kelly, retake the Senate for America First Republicans, and get our country back on track?
