Mo Brooks for Senate

Dear fellow conservative,

Can somebody explain to me why most Republicans in Congress are such no-fight, all-quit pansies?

You know the type.

I'm talking about the deal-cutting, principle-abandoning, lobbyist-schmoozing, Democrat-collaborating career politicians who would so often undercut President Trump behind his back.

Why do we always have to settle for these good-for-nothing Establishment lightweights?

Well, I'm writing to you today because -- in my race for U.S. Senate in Alabama -- I'm running to give conservatives a different choice. A better choice.

Because I'm a proud Trump-supporting, Freedom-caucusing, impeachment-opposing, socialism-fighting, unapologetic America First conservative!

No wonder President Trump has endorsed me -- and only me -- to be the next U.S. Senator from the state of Alabama!

Can I count on you to support me, too?

What I need right now is your financial help to compete with the millions of dollars being pumped into Alabama by these same Washington Insiders to prop up their hand picked candidate.

Will you please rush back a generous campaign contribution of \$50 or more so I can fight back?

But don't decide yet. First, let me tell you a little more about this race and how -- with your help -- I can win it. And what it will mean when I do!

First, consider the field. It's a crowded primary to fill the Republican seat vacated by outgoing Senator Richard Shelby.

And really, there are only two candidates leading the pack.

One is my opponent, the leading DC Insider pick who is getting support from moderate Senators and (quietly, behind the scenes) Mitch McConnell.

And there's me, Mo Brooks.

I may not have the support of the Beltway elites, but ...

... I've got President Trump's complete and total endorsement -- in fact, he's already come to Alabama for a huge rally!

... I also have endorsements from Ted Cruz, Rand Paul, Mark Levin, Senate Conservatives Fund, the Club for Growth, and more.

... Perhaps most importantly, I've got the support of the grassroots -- both in Alabama and across the country!

Which side do you fall on?

My opponent is getting support from Senators who voted to raise the debt ceiling and give Joe Biden a blank check to increase spending ... Senators who badmouthed President Trump constantly ... Senators who follow Mitch McConnell blindly.

Doesn't that tell you what kind of Senator she would be?

They all support my opponent because they know she'll be just like them. Just another empty suit.

She'll play the same DC games, go to the same fancy DC cocktail parties.

And she'll do her best to make sure DC keeps running exactly how it has for years -- which is great if you're a well-connected Beltway Insider, but terrible if you're an ordinary American.

On the other hand, President Trump and my other supporters know that Washington is broken. We know that sending the same old Establishment types to the Senate isn't going to get it done anymore.

I'm not interested in keeping Senators and lobbyists fat and happy in a broken system that puts connected elites first and real Americans last.

All I care about is putting America First and finishing the job that President Trump started.

Is that so radical?

Is it even that difficult?

Because I've got to tell you, I just don't get it.

How tough can it be to stand up to sleepy old Joe Biden?

We've got the most radical Administration in American history -- egged on by an even more radical Democrat Congress -- and these so-called "conservatives" can't find the backbone to fight?

If you ask me, this Administration's agenda is so extreme that it's never been easier to oppose!

But fourteen -- that's right, fourteen! -- GOP Senators voted to raise the debt ceiling so we can borrow trillions from China to fund the Democrats' socialist spending spree.

What the heck, folks?!

I say it's time for real conservatives to start throwing our weight around in the Senate.

I'm proud to have the support of Ted Cruz and Rand Paul. And there are a few other solid Senators whose support I soon hope to earn. But in total, there aren't nearly enough Senators with real principles and real guts.

That's why I need your help today.

Will you please rush back a generous campaign contribution of \$50, \$100, \$250 or more?

Remember, this is deep-red Alabama.

The chances of the Democrat nominee winning this seat are virtually zero. So the Republican primary is where the next Senator will be selected.

What type of Senator would you like?

Better yet, what type of Senate would you like?

If you're happy with the way things are going in this country, don't help me. If you want more of the same in Washington, support my opponent.

But if you want more conservative fighters in the Senate who will go to the mat for the America First agenda ...

... if you want to get rid of moderate sellouts who refuse

to lift a finger to fight this radical Biden Administration ...

... and if you want better than the same old "go along to get along" status quo in the Senate ...

... then please, donate as generously as you can today.

As I mentioned, my opponent is well-funded by the Washington Establishment. Lobbyists, corporate PACs and do-nothing Senators are pouring millions into her campaign.

My opponent is a Capitol Hill insider who cashed out and became a lobbyist. The DC special interests love her -- because she's one of them.

As a result, my opponent has raised almost \$4 million as of last report. Yes, that's a lot of money. But it's not a runaway just yet.

As long as I can keep the money race close, hard work and genuine grassroots enthusiasm can make up the difference.

So please, rush back your very best campaign contribution of \$50, \$100, \$250 or more today and help send a principled fighter to the Senate -- not an Establishment empty suit.

Thank you for fighting for a more conservative Senate!

Sincerely,

Rep. Mo Brooks (R-AL)
Candidate for Senate

P.S. My opponent likes to brag about all the endorsements she has from Establishment Senators. If you ask me, that's a guarantee that she'll just be "more of the same."

Well, I don't think the status quo is working out for most folks. I don't think the American people benefit from Republicans who play footsie with socialist Democrats ... who "cut deals" to sell out our principles ... who never fight for the American people or American interests ... who want to keep DC humming along without a change.

If you want real change in the Senate ... in the GOP ... in America ... then please, help me out today. Rush back a campaign contribution of \$50 or more so I can beat my DC Insider opponent and make the Senate more conservative.

Dear Mo,

I agree, we don't need "more of the same" in the Senate!

We've got plenty of Establishment types who refuse to fight the socialist Democrats ... who badmouthed President Trump to the media ... who sell out our values ... who put themselves first and America last.

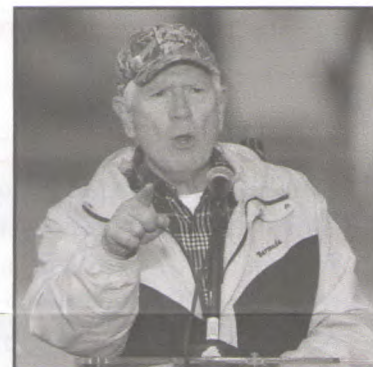

Instead, what we need are more real conservatives in the Senate. Conservatives who will fight. Conservatives who won't back down. Conservatives who will stand up to their own party leadership, when necessary!

I know that's what you've done in the U.S. House as a member of the Freedom Caucus. No wonder President Trump has endorsed you – and only you – to be the next Senator from Alabama!

But I realize your opponent has all the funding of the Washington Establishment behind her. To help you keep pace with the millions of dollars being funneled into her campaign by lobbyists, corporate PACs, and moderate Senators, I'm rushing back my best contribution of:

- \$2,900 \$2,000 \$1,000
